

The AUTOPA open spaces Square Steel Bin

Completely fireproof, vandal resistant and with a 95 litre capacity, the AUTOPA Square Metal Litter Bin is ideal for busy public areas and parks. The body of the bin is manufactured from galvanised mild steel and is available in two colours, black and dark green. Traditionally designed, this bin is supplied with a lockable door and metal liner as standard. An additional ashtray or stub plate can be added if required.

The base of the bin can be bolted onto the floor for added security using the fixings supplied. Please specify colour at time of order.
