

## The AUTOPA open spaces Round Steel Bin

The traditionally designed Round Steel Litter Bin is ideal for parks and busy public areas. Completely fireproof, this bin features a lockable lid and a removable metal liner for ease of use. The liner is secured into place by a unique bayonet fixing mechanism. The body of the bin is manufactured from galvanised mild steel and is available in two colours, black and dark green.

The base of the bin can be bolted onto the floor for added security using the fixings supplied.
