

Lilbourne Cycle Stand

Galvanised, Galvanised & Colour or Stainless

The VELOPA Lilbourne Cycle Stand is a shaped tubular cycle stand. The design allows the frame of the bicycle to be secured by the users own security lock. The Lilbourne Cycle Stand is suitable for securing two bicycles. Available in galvanised steel, galvanised & coated or grade 304 stainless steel, with ragged feet for casting into new concrete or flanged feet for bolting to an existing surface.

The practical and durable nature of the VELOPA Lilbourne Cycle Stand ensures that the stand will complement any environment and offers an aesthetically pleasing alternative to the Sheffield Cycle Stand.

Part Number	Description	Weight (kg)
138 515	Galvanised - Concrete In	
138 515	Galvanised - Bolt Down	
138 515	Galvanised & Black - Concrete In
