

Removable Bollard 1000mm Above Ground Domed Top - 60mm - 114mm Diameter Galvanised or Galvanised & Colour

The Removable Bollard-Domed Top offers an effective, simple and robust way to protect premises and vehicles. Removable Bollards are particularly suitable for locations where occasional access is required, the simple tab and padlock system provides an easy to operate solution for locking the bollard in place. The Removable Bollard is 1,000mm above ground and is available in a range of outside tube diameter sizes from 60mm through to 219mm. Padlock to secure is available at an extra cost.

The Removable Bollard 1000 is ideal for protecting vehicle forecourts, commercial premises, car parks and domestic driveways and can be used in conjunction with fixed bollards as part of a security system for all types of premises.
