

EB400 Plastic Marker

1000mm

Polyethylene

The EB400 is a slimline medium density polyethylene (MDPE). This hard wearing bollard is ideal for marking paths where space is at a premium.

The EB400 is supplied black as standard. Self-adhesive reflective strips can be added to the neck of the bollard if required.

For demarcation purposes, the EB400 is available ragged only with an above ground height of 1000mm.

<u>Part Number</u>	<u>Description</u>	<u>Weight (kg)</u>
138 160 200	EB400 - Concrete in (hollow - sleeve only)	1kg
