

# Camden 1075mm Polyurethane

The AUTOPA Camden Polyurethane Bollard has a modern design and is ideal for use as part of traffic calming measures within urban areas. Corrosion and shatter proof, these bollards are cast in an engineering grade, heavy duty polymer around an integral steel core.

Available concrete in and black only, polyurethane bollards are a highly durable alternative for traditional cast iron bollards.

<u>Part Number</u>	<u>Description</u>	<u>Weight (kg)</u>
138 124 070	Camden	48kg
