

Delaval 800mm Polyurethane

Traditional and sturdy in design, the Delaval Polyurethane Bollard provides a simple, yet elegant, parking and access control solution. Ideal for use individually, or as a part of a wider traffic calming measure, they are suitable for a range of locations.

Corrosion and shatter proof, these bollards are cast in an engineering grade, heavy duty polymer around a steel core.

Available concrete in and black only, polyurethane bollards are a highly durable like for like replacement for traditional cast iron bollards.

Part Number	Description	Weight (kg)
138 124 090	Delaval	16kg

Product details

- Available concrete in only
- Concrete in 300mm (below ground)
- 168mm maximum diameter
