

Hexham 915mm Polyurethane

A classically styled ornamental bollard, the AUTOPA Hexham Polyurethane Bollard features a decorative cap and bevelled body. Suitable for a wide range of locations this bollard is an aesthetically pleasing solution to unauthorised parking or access.

Cast in an engineering grade, heavy duty polymer, around an integral steel core, these bollards are corrosion and shatter proof.

Available concrete in and black only, this bollard is a durable replacement for traditional cast iron bollards.

<u>Part Number</u>	<u>Description</u>	<u>Weight (kg)</u>
138 124 030	Hexham	17kg
