

Corner Protection Hoop - CPH60

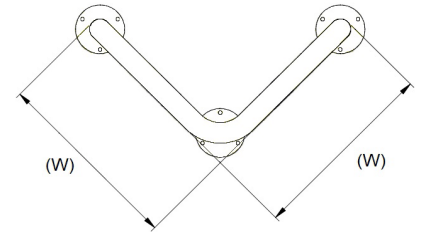

60mm Diameter

Galvanised or Galvanised & Yellow/Black

The AUTOPA Corner Protection Hoop provides protection for corners and other vulnerable areas on busy industrial sites. Manufactured from mild steel and galvanised for longevity, the Corner Protection Hoop is highly durable. Available in 500mm and 800mm heights they can be used to protect a wide range of locations from vehicles of different sizes.

Corner Protection Hoops are available in galvanised finish or galvanised & coated yellow, complete with black reflective bands (2 x 150mm width bands - 500mm high, 5 x bands - 800mm high).
