

VPP 1000 Column Protector

48mm Diameter

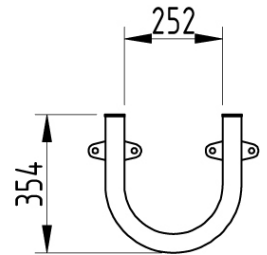

Galvanised or Galvanised & Colour

Functional and robust in design, AUTOPA's range of vertical column protectors are designed to protect pipes and other vulnerable pillars from vehicle damage in a busy industrial environment. Manufactured from mild steel and galvanised to ensure their longevity. Suitable for both internal and external use.

Available in galvanised and galvanised & coated (RAL/BS numbers must be specified at time of order) or galvanised and coated yellow complete with black bands.

Bolted to the wall and ground, around pipes up to 250mm diameter.

<u>Part Number</u>	<u>Description</u>	<u>Weight (kg)</u>
138 177 780	Galvanised, Bolt Down	17kg
138 177 780C	Galvanised & Colour, Bolt Down	17kg
