

MM Cycle Locker

1-6 Holder

Galvanised

The VELOPA MM Cycle Locker is an extremely robust and secure cycle locker. The MM Cycle Locker is designed to store up to 6 bicycles (Type B Cycle Rack for 5 or 3 Sheffield Cycle Stands). The integrated doors can be locked with a padlock. The MM Cycle Locker is available in two versions the MM1, which has mesh sides and rear (bottom image) and the MM2 which has clad sides and rear (top image). The MM Cycle Locker is available with extension bays to enlarge the storage capacity.

The practical and durable nature of the VELOPA MM Cycle Locker ensures that the locker is suitable for all environments where high security cycle parking is required.

Part Number	Description	Weight (kg)
138 200 090	MM1 Cycle Locker, Main Bay	400kg
138 200 092	MM1 Cycle Locker, Extension Bay	400kg

Product details

- 2153mm x 2060mm x 2400mm (height x width x depth)
- 50mm x 50mm square tube

Installation & use

Each shelter leg requires bolting down to a suitable concrete surface (not less than 450mm x 450mm x 400mm) by means of four M12 anchor bolts. The area surrounding the installation must be flat and level with no nearby surface irregularities or gradient changes.

On-site assembly requires construction skill.

This product is guaranteed for 12 months (if installed and used correctly).
