

# Square Fixed Bollard 750mm Above Ground 50mm - 150mm Square Galvanised - Concrete In

The galvanised mild steel range of 750mm tall square fixed bollards are suitable for a range of applications and are ideal as a complement to the Autopa ranges of square Parking Posts, RemovaPosts and RetractaPosts.

The bollards are available in 50mm - 150mm square tube and come finished with a welded flat steel cap.

The Fixed bollard is available with extended legs for casting into concrete or a flange plate for bolting down.

Bolt down, removable and colour coated versions also available.
