

Wimbledon Teenage Shelter

2m

Galvanised Steel frame

The AUTOPA open spaces Wimbledon Teenage Shelter is a free-standing shelter perfect for use in parks and schools.

The Wimbledon Shelter is an ideal way of making open and common areas welcoming and hospitable to all ages. Highly durable, this shelter offers young people a place to gather and meet with their friends in a safe and sheltered area; while the shelter's curved back provides effective cover from the elements throughout the year.

Designed for on-site assembly, it is manufactured from mild steel and galvanised to ensure its longevity. The shelter can be arranged into a variety of configurations to fit site requirements. It is supplied flanged as standard, and can be colour coated any BS/RAL colour to suit existing colour schemes (BS/RAL numbers must be specified at time of order).

<u>Part Number</u>	<u>Description</u>	<u>Weight (kg)</u>
138 222 150	Wimbledon Teenage Shelter Main Bay	125.0kg
138 222 155	Wimbledon Teenage Shelter Extension Bay	98.0kg
