

# Vertical Cycle Holder

The Vertical Cycle Holder is suitable for hanging bicycles from the wall, this cycle parking solution which is ideal where space is at a premium requires the user to take the full weight of the bicycle, but is extremely easy to use.

The front wheel of the bicycle is simply hooked over the foam protection bracket, the foam ensures that there is no damage to the cycle.

<u>Part Number</u>	<u>Description</u>	<u>Weight (kg)</u>
138 200 290	Vertical Cycle Holder	1.42kg
138 200 295	Screw Fixing Pack
