

# Fixed Bollard 900mm Above Ground 129mm - 204mm Diameter Stainless Steel

The stainless steel range of 900mm tall Fixed Bollards are suitable for a range of applications.

The round bollards are available in sizes from 48mm to 204mm diameter stainless steel grade 304 tube. The Fixed Bollard is available with extended legs for casting into concrete or a flange plate for bolting down.

The Stainless Steel Fixed Bollard is ideal for situations where a high quality aesthetically pleasing way to mark boundaries is required.

Removable versions also available.
